

GEL TO MILK EXFOLIATOR

A triple-phase formula that exfoliates, cleanses, and moisturises, delivering a spa-like indulgence with each use. Formulated with finely ground walnut shells, this gentle exfoliating agent buffs away impurities. This formula starts as a refreshing gel seamlessly shifting into a luxurious oil, add water, and watch it transition into a creamy milk that rinses off, leaving your skin feeling velvety-smooth and revitalised.

CASTOR OIL

Penetrates deep into the pores and dissolves impurities making it an excellent ingredient for oil cleansing.

APRICOT

A natural moisturiser known to maintain softness & radiance of the skin.

WALNUT SHELLS

A natural exfoliating agent to scrub away dead skin cells.

DIRECTIONS FOR USE

Apply a small amount of gel to dry skin massaging it in a circular motion. Add a few drops of water to your fingertips, continuing to massage until the gel transforms into a silky milk. Rinse thoroughly with lukewarm water.
