

SPF 30 MOISTURISER

Our SPF 30 Moisturiser is a mineral only formula based around non-nano Zinc oxide and Rice Bran wax. This cream is designed to be absorbed quickly with even coverage and provide continuous moisturisation.

Zinc Oxide

A mineral sunscreen that physically blocks the sun's UV rays. Non nano yet still provides the highest level of transparency on the skin.

Niacinamide

Niacinamide has been shown to boost the hydrating ability of moisturisers

Upcycled Rice Bran Wax

Improves skin feel in oil rich formulas, as well as increasing the efficacy of SPF filters

DIRECTIONS FOR USE

Apply approximately 3ml to the face and rub in until fully absorbed at least 30 minutes before going out into the sun.

Warnings:

For External use only. Avoid contact with eyes. Keep out of the reach of the children. Do not store in direct sunlight.

COMBATS

UVA and UVB radiation from the sun
