

BEARD BALM

Our natural beard balm acts as a leave-in conditioner to soften and style the beard and is ideal for taming hair. Contains natural sealants including cocoa seed, avocado butter and beeswax which help lock in moisture and make the beard appear fuller. Infused with cocoa butter, this luxury balm keeps the beard hair soft, shiny and healthy.

BEESWAX

A key ingredient in balms, creates a protective barrier sealing in moisture.

COCOA BUTTER

Rife with fatty acids. Replenishes moisture & creates a barrier to prevent water loss.

COCONUT

An occlusive oil that sits on the top layer of the skin locking in moisture.
