

# DERMATITIS TREATMENT CREAM

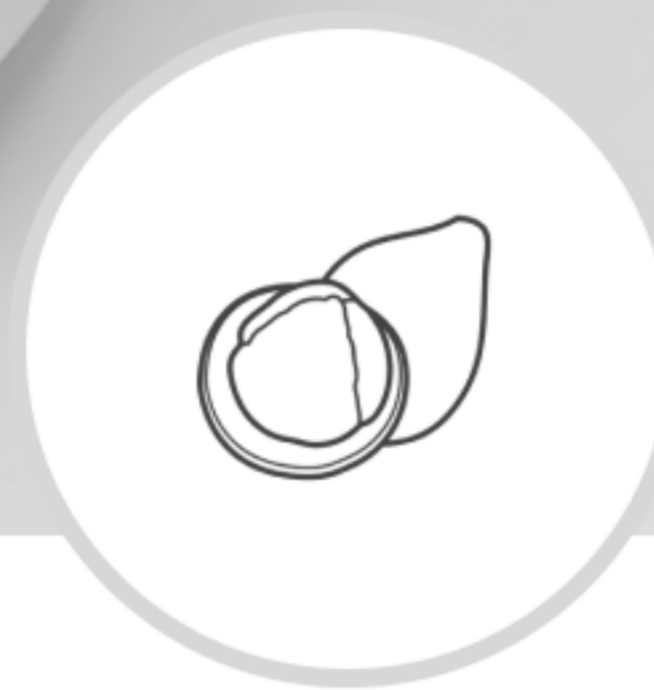

This is not a medical device product – Therefore we recommend that you do not use any medical claims in your product labelling and marketing material (this includes the words 'Dermatitis' and 'treatment')

This gentle and effective cream contains a wide range of oils to deeply moisturise and soothe the skin. Colloidal oatmeal is a key active ingredient that has anti-itch and anti-inflammatory properties to help soothe and soften dry skin and relieve itchy skin. Our dermatitis treatment cream also contains aloe vera which helps restore the pH balance of the skin and prevent irritation

## GLYCERIN
