No special handling techniques required.

Keep out of reach of children. Store in a cool dry place. Keep from extreme heat, cold & sunlight.

### **B. Exposure controls and personal protection**

No special personal protective equipment required.

### **C: Stability & Reactivity**

The product is stable non-reactive. Avoid strong oxidising agents.

### **D: Toxicological Information**

No acute or chronic toxic effects when used as directed.

### **E: Ecological information**

No ecological hazards are associated with this product. It is biodegradable.

### **F: Disposal considerations**

Dispose of product according to local and national regulations.

### **G: Transport information**

Non Hazardous / Non-flammable. No shipping restrictions

### **H: Declaration of Allergens**

The customer should satisfy themselves that the product is suitable for the intended purpose, and that a suitable and sufficient assessment of any risks created by any activity using this product is undertaken before use. This information is based upon our knowledge of the product at the time of publication. The data is given in good faith and should be viewed as guidance only. This product sheet cannot cover all possible situations which the user may experience. We do not assume any responsibility and expressly disclaim any liability for any use of this product.

Should the customer subsequently alter the product, it is the customer's responsibility to ensure any allergens are declared on the end user packaging.

### **I. Other Information**

This PIF Summary does not constitute a legal document. Customers who retail Hera Beauty products under their own label are responsible for ensuring that their packaging and labels are compliant with the relevant legislation in the jurisdiction of sale.

Any customers who modify or add to our standard products are responsible for ensuring their product complies with legislation requirements in their jurisdiction of sale and Hera Beauty accept no liability.

Any product marketed under customer brand must be registered with the CPNP/OPSS and have a responsible person and registered address assigned to the brand that the product is being traded under.

To the best of our knowledge, the information contained in this document is correct.
