

CLEAR HAND WASH

Our clear hand wash is a clear gel that is SLS free and is formulated to create the same foam levels as conventional wash products. This formula combines a mixture of humectants & refatting agents to help condition the skin and maintain its natural pH level. Leaves the skin feeling soft & smooth. We would recommend customising this with a fragrance or essential oil blend.

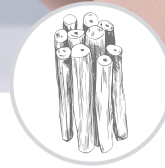

GLYCERINE

A humectant, drawing water into the skin boosting hydration.

CHAMOMILE

Great for sensitive skin, chamomile possesses soothing properties by helping to reduce inflammation.

LIQUORICE

Contains a natural acid glycyrrhizin responsible for skin brightening. Liquorice is also known to help to minimise production of dark spots.

DIRECTIONS FOR USE

Apply product to wet hands and thoroughly massage in.

Rinse hands with warm running water and dry.

Warnings:

For external use only. Avoid contact with eyes. Keep out of the reach of children. Do not store in direct sunlight.

COMBATS

Dry Skin

BENEFITS

Cleanse & Moisturise
