

# DEODORANT BALM

Our natural deodorant combines the power of gentle ingredients to keep you feeling fresh throughout the day. This solid balm is designed to provide effective odor protection while nourishing your skin with the goodness of natural butters and oils including cocoa butter, grapeseed and sunflower oil.

## INULIN

A prebiotic that has been shown to help rebalance the microbiome after disturbance. Inulin can absorb moisture and help keep the underarm area dry

## ARROWROOT

A natural sweat-absorbant suitable for sensitive skin.

## SODIUM BICARBONATE

An antibacterial and pH neutraliser. It is used to neutralise the acid in sweat and eliminate underarm bacteria, therefore preventing body odour from forming.

## DIRECTIONS FOR USE

Apply to clean, dry underarms after showering & reapply as & when needed.
