

# BRAZILIAN BOOTY BUTTER

Over 96% natural, this sumptuous, but easily absorbed cream has over 1% caffeine, and Brazilian inspired additions. Caffeine has been shown to help prevent the accumulation of fat inside cells, and also help with its degradation. Caffeine also boosts microcirculation in the skin, and has anti-oxidant benefits, so may help with skin protection and anti-aging. Anti-oxidant rich acai oil, hydrating and protective buriti oil, vitamin rich passion seed oil and stimulating guarana extract give a South American theme. A natural silicon alternative should boost glide. Can be used on any areas of unwanted fat – Bum, tummy, bingo wings...
