

PREMIUM NATURAL HYALURONIC FACIAL SERUM

A light gel formulation featuring two different molecular weights of sodium hyaluronate to deliver moisturisation to both the surface layers and deeper within the skin.

ALOE VERA

Aloe has long been used for soothing, conditioning, and moisturising skin. Rich in vitamins, minerals, amino acids, and polysaccharides, it hydrates and supports skin function.

SODIUM HYALURONATE

Naturally present in skin but declining with age, this molecule attracts moisture, plumps wrinkles, and boosts skin function.

GLYCERIN

A humectant and solvent, boosting moisture levels in skin, helping to maintain smoothness and suppleness.

DIRECTIONS FOR USE

Gently dab product onto cleansed skin and blend in until fully absorbed.

After applying gently tap face with fingertips to encourage serum to penetrate to the deepest layers of the skin.

WARNINGS:

Warnings: For external use only. Avoid contact with eyes. Keep out of the reach of children. Do not store in direct sunlight.
