

PREMIUM NATURAL WASH BASE

A very gentle wash base enriched with aloe vera and moisturising agents to gently cleanse without stripping skin of moisture.

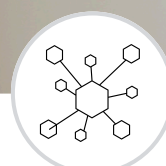

ALOE VERA

Aloe has long been used for soothing, conditioning, and moisturising skin. Rich in vitamins, minerals, amino acids, and polysaccharides, it hydrates and supports skin function.

SACCHARIDE ISOMERATE

A naturally derived plant extract with hydrating properties. Improves the skin barrier helping protect against dehydration and sensitivity. It binds to keratin in the skin, meaning hydration can't be washed away. A moisture magnet!

BETAINE

A humectant, with skin barrier reinforcing benefits. It reduces stickiness and boosts foam in wash-off products. It may also help calm irritation.

DIRECTIONS FOR USE

Apply a small amount of shower gel into a shower puff or your palms and gently massage over the body or face to create a creamy lather. Rinse thoroughly with warm water.
